

VVManual - Creating understanding within the CDM

December 4, 2008, Poznan

WHEN YOU NEED TO BE SURE

Missing elements

- Level of Assurance - para 13 mentions 'assurance'
 - Limited
 - **Reasonable (Absolute assurance is impossible)**

- Validation Approach - Para 30

*"The evidence used in this assessment **shall not be limited** to that provided by the project participants"*

- Situations involving a change in technology during implementation vis-à-vis a registered PDD (eg Wind, Landfill projects)

- Programme of Activities (PoAs)

- Sampling- Para 141
 - Applied to sites and not applied to data

- Verification Approach, Level of Assurance & Materiality

- Timelines for implementation VVM (~2-3 months)

Thank You!
