Clarity on transparency
Maggie Ferrato

with Alex Hanafi and Julia Ilhardt
Transparency is key to the health of any emissions trading market.
TRANSPARENCY = CONFIDENCE

...in the social and environmental integrity of the system
3 CORE COMPONENTS
for the transparency of carbon accounting

1. GHG inventories
2. publicly available registries
3. the ability to compare

BEYOND CARBON ACCOUNTING
accounting for social and environmental impacts
WHO IS RESPONSIBLE?
Thank you.
