2.2 Without prejudice to paragraph (d) of Clauses 2.1 and 2.3, and save as otherwise provided for in paragraph 7 (Representations and Warranties of the Transferring Party) of Part A of Schedule 2 (Retirement) in relation to Retirement, the Transferring Party makes no representation, warranty nor provides any guarantee in respect of:

(b) the eligibility of any Contract VCC for any purpose including any emissions trading, emissions reduction or off-setting scheme whatsoever.

2.3 In respect of each Contract VCC Transferred to the Receiving Party, the Transferring Party represents and warrants to the Receiving Party on the relevant Transfer Date that:

3 Sale, Purchase and Transfer of Contract VCCs

3.1 On and subject to the terms and conditions of this Agreement and in accordance with the relevant Registry Rules and the relevant Carbon Standard Rules, the Transferring Party agrees to sell and Transfer and the Receiving Party agrees to buy and accept the Contract VCCs.

3.2 [The Contract VCCs shall be sold by the Transferring Party together with any Environmental Attributes associated with or attaching to such Contract VCCs as at the date of Transfer which are capable of being transferred by way of this Agreement.]

3.3 The Transfer Date together with the corresponding Transfer Quantity for each Transfer shall be as set out in the row titled “Transfer Schedule” in Part A of Schedule 1 (Commercial Terms) (the “Transfer Schedule”).

3.4 The Transferring Party shall, subject to any action required by the Receiving Party under the relevant Registry Rules or the relevant Carbon Standard Rules, Transfer or cause to be Transferred the Transfer Quantity of Contract VCCs referred to in column (B) of the Transfer Schedule to the Receiving Party’s Registry Account by no later than the Transfer Date referred to in column (A) of the Transfer Schedule.

3.5 In respect of any Contract VCC, save where a Retirement Instruction has been duly issued in accordance with paragraph 2 of Part A of Schedule 2 (Retirement), the Transfer of a Contract VCC shall be considered to be completed and final when such Contract VCC is credited to the Receiving Party’s Registry Account in accordance with the relevant Registry Rules and the relevant Carbon Standard Rules, whereupon all title and risk of loss in such Contract VCC shall transfer from the Transferring Party to the Receiving Party.

3.6 Unless otherwise specified in Part A of Schedule 1 (Commercial Terms), if a Transfer of a Contract VCC is completed on a Banking Day after the Cut-off Time or on any day that is not a Banking Day, such Contract VCC will be deemed to have been Transferred on the next following Banking Day.
3.7 Subject to the prior written consent of the other Party, such consent not to be unreasonably withheld, delayed or made subject to conditions, either Party may by notice to the other Party in writing amend the Registry Account specified by such Party in Part A of Schedule 1 (Commercial Terms) no later than five (5) Banking Days before the next Transfer Date.

3.8 Where, in respect of any Contract VCC:

(a) the Parties have elected in Part A of Schedule 1 (Commercial Terms) that Schedule 2 shall apply, the Receiving Party may give one or more Retirement Instructions to the Transferring Party in relation to some or all of the Contract VCCs; and

(b) a Retirement Instruction has been duly issued to the Transferring Party in accordance with paragraph 2 of Part A of Schedule 2 (Retirement), the Transfer of such Contract VCC shall be satisfied and discharged in accordance with Part A of Schedule 2 (Retirement) and the obligation contained in paragraph (b) of Clause 2.4 shall not apply in relation to such Contract VCC.

4 Price, taxes and payment

4.1 The Receiving Party shall on the Payment Due Date pay the Transferring Party an amount equal to the applicable price per Contract VCC as specified in the column titled “VCC Price (per VCC)” in Part B of Schedule 1 (VCC Specification and VCC Price) for such VCC (the “VCC Price”) multiplied by the relevant Transfer Quantity.

4.2 All amounts referred to in this Agreement are exclusive of any applicable Sales Tax chargeable on the supply or supplies for which such amounts form the whole or part of the consideration for Sales Tax purposes. The Sales Tax treatment of any Transfer shall be determined pursuant to the Sales Tax law of the jurisdiction where the relevant supply or supplies are deemed to take place for Sales Tax purposes. If Sales Tax is properly chargeable on any such supply or supplies, the Receiving Party shall pay to the Transferring Party an amount equal to the Sales Tax, if any, chargeable in the Transferring Party’s jurisdiction; provided that: (a) such amount shall only be required to be paid once the Transferring Party provides the Receiving Party with a valid Sales Tax invoice in relation to that amount stating, amongst other things, the amount of Sales Tax properly chargeable thereon; and (b) the Receiving Party shall be under no obligation to make any payment to the Transferring Party in respect of Sales Tax which the Receiving Party must self-assess under the reverse charge rule or any similar system in the Receiving Party’s jurisdiction. Each Party shall, to the extent permitted by law, provide the other with such additional valid Sales Tax invoices as are required and shall correctly account for any Sales Tax properly due in its jurisdiction.

4.3 On each date that a Transfer is entered into under the terms of this Agreement, the Receiving Party represents to the Transferring Party that it is receiving the supply or supplies pursuant to the Transfer in connection with an establishment of the Receiving Party in the jurisdiction that is specified in Part A of Schedule 1 (Commercial Terms) opposite the heading “Receiving Party’s Sales Tax details (if any)”.

4.4 Except as otherwise expressly provided in this Agreement, each Party shall be responsible for its own costs incurred in performing its obligations under this Agreement and shall indemnify and reimburse the other Party to the extent that other party is required to pay or otherwise incurs any costs for which the first Party is primarily liable.
4.5 In respect of the Transfer of any Contract VCC, all fees, costs or other charges imposed or otherwise levied by the relevant Registry prior to the Transfer shall be the responsibility of the Transferring Party; and all fees, costs or other charges imposed or otherwise levied by the relevant Registry after the Transfer shall be the responsibility of the Receiving Party. Where a Party incurs any amount which is the responsibility of the other Party in accordance with this Clause 4.5, the first Party shall promptly indemnify and reimburse the other Party in full for such amounts incurred.

4.6 [Each Party agrees to deliver the relevant tax forms, certificates or any other documents reasonably requested by the other Party (the “Requesting Party”), as soon as reasonably practicable after demand by the Requesting Party, including, without limitation, any form or document required to enable such other Party to comply with its tax reporting obligations or to make payments hereunder without deduction or withholding for or on account of Taxation or with such deduction or withholding at a reduced rate.]

5 Illegality and Force Majeure

5.1 Notifications. If a Force Majeure or Illegality occurs, each Party shall, promptly upon becoming aware of it, use all reasonable efforts to notify the other Party in writing of the Force Majeure or Illegality. To the extent available, that Party should also provide details of the Force Majeure or Illegality and a non-binding estimate of the extent and the expected duration of the Force Majeure or Illegality, as the case may be.

5.2 Effect. Subject to Clauses 5.3 and 5.4, if a Force Majeure or an Illegality has occurred and is continuing, then the Transfer and payment obligations of both Parties which would otherwise be required to be performed with respect to any Transfer affected by the Force Majeure or Illegality (“Affected Transfer”) (other than any obligation to make payments then due or becoming due with respect to performance prior to the Force Majeure or Illegality) will be suspended for the duration of the Force Majeure or Illegality and will not be required to be performed until the Force Majeure or Illegality is overcome or ceases to exist. For so long as a Force Majeure or Illegality is continuing, the Party which is prevented by Force Majeure or Illegality from carrying out, in whole or part, its obligations under this Agreement (the “Affected Party”) shall use all reasonable efforts to overcome the Force Majeure or Illegality and each Party shall use all reasonable efforts to mitigate any loss suffered by it as a consequence of the Force Majeure or Illegality.

5.3 End of event. Subject to Clause 5.4, upon the Force Majeure or Illegality being overcome or it ceasing to subsist, both Parties shall, as soon as reasonably practicable thereafter but not later than the fifth (5th) Banking Day following the date upon which the Force Majeure or Illegality has been overcome or ceases to exist, resume full performance of their obligations under this Agreement (including, for the avoidance of doubt, any suspended obligations).

5.4 Continuing event. Where the Force Majeure or Illegality continues for the Prolonged Period, on the last day of the Prolonged Period, the non-affected Party may, by not more than twenty (20) days' notice to the other Party, designate: (i) a day not earlier than the day on which such notice becomes effective as an “Early Termination Date” in respect of all Affected Transfers; or (ii) by specifying in that notice the Affected Transfers in respect of which it is designating the relevant day as an “Early Termination Date”, a day not earlier than two (2) Banking Days following the day on which such notice becomes effective as an “Early Termination Date” in respect of less than all Affected Transfers (the day designated pursuant to (i) or (ii) being, the “Early Termination Date”). Upon receipt of a notice designating an
Early Termination Date in respect of less than all Affected Transfers, the other Party may, by notice to the designating Party, if such notice is effective on or before the day so designated, designate that same day as an Early Termination Date in respect of any or all other Affected Transfers.

5.5 If this Agreement is terminated in accordance with Clause 5.4, for purposes of determining any amount payable in respect of the termination of this Agreement, the Parties’ corresponding suspended Transfer and acceptance obligations shall be deemed to have resumed on the Early Termination Date. The termination payment shall be calculated by each Party determining its Termination Loss and an amount will be payable equal to one half of the difference between the Termination Loss of the Party with the higher Termination Loss (“X”) and the Termination Loss of the Party with the lower Termination Loss (“Y”). If the amount payable is a positive number, Y will pay it to X; if it is a negative number, X will pay the absolute value of such amount to Y.

5.6 Where an event or circumstance that would otherwise constitute or give rise to an Event of Default also constitutes a Force Majeure or an Illegality it is to be treated as Force Majeure or an Illegality (as appropriate) and not as an Event of Default.

6 Transfer Failure

6.1 Failure to Transfer by the Transferring Party

(a) A failure by the Transferring Party to make a Transfer to the Receiving Party’s Registry Account on or before a Transfer Date for any reason shall not constitute or give rise to an Event of Default under Clause 7.

(b) If the Transferring Party fails to make a Transfer to the Receiving Party’s Registry Account on or before a Transfer Date, the provisions of paragraphs (c) and (d) of this Clause 6.1 shall not apply if:

(i) the failure to Transfer is caused by the Receiving Party’s non-performance under this Agreement; or

(ii) the Transferring Party is relieved from complying with a relevant obligation under Clause 5.2.

(c) Subject to paragraph (b) of this Clause 6.1, if the Transferring Party fails to make a Transfer to the Receiving Party’s Registry Account on or before a Transfer Date for any reason, the Receiving Party may, by giving notice to the Transferring Party (the “Receiving Party’s Initial Notice”) require the Transferring Party to remedy such failure, such notice to become effective on the date it is delivered by the Receiving Party (or if such day is not a Banking Day, on the next Banking Day).

(d) If such failure:

(i) is remedied by the Transferring Party on or before the second (2nd) Banking Day following the date on which the Receiving Party’s Initial Notice is effective (the “Receiving Party’s Notice Transfer Date”), then: (A) the Receiving Party shall pay to the Transferring Party an amount equal to the VCC Price multiplied by the Default Quantity; and (B) the Transferring Party shall pay to the Receiving Party interest at the Interest Rate applied to the amount equal to the VCC Price multiplied by the Default Quantity, for the
period from (and including) the original Transfer Date to (but excluding) the actual date of Transfer to the Receiving Party, (each amount as adjusted to take into account any amounts already paid by that Party to the other Party pursuant to this Agreement); or

(ii) is not remedied by the Transferring Party on or before the Receiving Party’s Notice Transfer Date, the Receiving Party may by further written notice to the Transferring Party (the “Receiving Party’s Replacement Cost Notice”) specify the Receiving Party’s Replacement Cost payable by the Transferring Party. In such a case, the Transferring Party shall pay to the Receiving Party the Receiving Party’s Replacement Cost on the third (3rd) Banking Day following the date on which the Receiving Party’s Replacement Cost Notice is effective. Upon the Receiving Party’s receipt of the Receiving Party’s Replacement Cost, the Transferring Party’s obligation to Transfer to the Receiving Party the Default Quantity, and the corresponding payment obligation of the Receiving Party, shall both be fully discharged and the other and future obligations of the Parties under this Agreement shall remain in full force and effect.

6.2 Failure to accept by the Receiving Party

(a) A failure by the Receiving Party to accept a Transfer to the Receiving Party’s Registry Account on or before a Transfer Date for any reason shall not constitute or give rise to an Event of Default under Clause 7.

(b) If the Receiving Party fails to accept a Transfer to the Receiving Party’s Registry Account on or before a Transfer Date, the provisions of paragraphs (c) and (d) of this Clause 6.2 shall not apply if:

(i) the failure to accept is caused by the Transferring Party’s non-performance under this Agreement; or

(ii) the Receiving Party is relieved from complying with a relevant obligation under Clause 5.2.

(c) Subject to paragraph (b) of this Clause 6.2, if the Receiving Party fails to accept a Transfer to the Receiving Party’s Registry Account on or before a Transfer Date for any reason, the Transferring Party may, by giving notice to the Receiving Party (the “Transferring Party’s Initial Notice”) require the Receiving Party to remedy such failure, such notice to become effective on the date it is delivered by the Transferring Party (or if such day is not a Banking Day, on the next Banking Day).

(d) If such failure:

(i) is remedied by the Receiving Party on or before the second (2nd) Banking Day following the date on which the Transferring Party’s Initial Notice is effective (the “Transferring Party’s Notice Transfer Date”), then the Receiving Party shall pay to the Transferring Party an amount equal to the VCC Price multiplied by the Default Quantity plus interest at the Interest Rate applied to the amount equal to the VCC Price multiplied by the Default Quantity for the period from (and including) the original Transfer Date to (but excluding) the actual date of Transfer to the Receiving Party (each amount
as adjusted to take into account any amounts already paid by the Receiving Party to the Transferring Party pursuant to this Agreement); or

(ii) if not remedied by the Receiving Party on or before the Transferring Party’s Notice Transfer Date, the Transferring Party may by further written notice to the Receiving Party (the ‘Transferring Party’s Replacement Cost Notice’), specify the Transferring Party’s Replacement Cost payable by the Receiving Party. In such a case, the Receiving Party shall pay to the Transferring Party the Transferring Party’s Replacement Cost on the third (3rd) Banking Day following the date on which the Transferring Party’s Replacement Cost Notice is effective. Upon the Transferring Party’s receipt of the Transferring Party’s Replacement Cost, the Receiving Party’s obligation to accept from the Transferring Party the Default Quantity, and the corresponding payment obligation of the Receiving Party, shall both be fully discharged and the other and future obligations of the Parties under this Agreement shall remain in full force and effect.

6.3 Partial settlement

If, on a Transfer Date, the Transferring Party Transfers to the Receiving Party fewer Contract VCCs than the relevant Transfer Quantity:

(a) the Receiving Party’s obligation to pay pursuant to Clause 4.1 shall be reduced by an amount equal to the Default Quantity multiplied by the VCC Price; and

(b) the provisions of Clause 6.1 or 6.2, as applicable, will apply in respect of the relevant Default Quantity.

7 Events of Default and Consequences

7.1 Subject to Clauses 2, 5 and 6, a Party shall be in default upon the occurrence of any event or circumstance described in this Clause 7.1 (each, an ‘Event of Default’):

(a) if it fails to comply with any of its obligations under this Agreement (other than an obligation referred to in paragraphs (b), (b)(c) and (b)(g) of this Clause 7.1 or, in the case of a failure to Transfer, as otherwise remedied under Clause 6) and that failure is not remedied within five (5) Banking Days of the other Party’s giving notice of that failure;

(b) if it fails to make payment when due under this Agreement, including a failure by the Transferring Party to pay the Receiving Party’s Replacement Cost, and that failure is not remedied on or before the third (3rd) Banking Day after the other Party’s giving notice of that failure;

(c) if it breaches any of the representations or warranties set out in this Agreement other than as set out in Clause 2.5;

(d) if it or a Credit Support Provider fails to comply with or perform any agreement or obligation to be complied with or performed by it in accordance with any Credit Support Document if such failure is continuing after any applicable grace period has elapsed;

(e) the expiration or termination of any Credit Support Document or the failing or ceasing of such Credit Support Document, or any security interest granted by such Party or
such Credit Support Provider pursuant to any such Credit Support Document, to be in full force and effect for the purpose of this Agreement (in each case other than in accordance with its terms) prior to the satisfaction of all obligations of such Party under each transaction to which such Credit Support Document relates without the written consent of the other Party;

(f) if it or a Credit Support Provider disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, such Credit Support Document (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(g) if the Party:

(i) is dissolved (other than pursuant to a consolidation, amalgamation or merger);

(ii) becomes insolvent or is unable to pay its debts generally as they fall due, fails generally to pay, or admits in writing its inability generally to pay its debts as they become due;

(iii) makes a general assignment, arrangement or composition with or for the benefit of its creditors;

(iv) institutes or has instituted against it, by a regulator, supervisor or any similar official with primary insolvency, rehabilitative or regulatory jurisdiction over it in the jurisdiction of its incorporation or organisation or the jurisdiction of its head or home office, a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors’ rights, or a petition is presented for its winding-up or liquidation by it or such regulator, supervisor or similar official, or has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors’ rights, or a petition is presented for its winding-up or liquidation, and such proceeding or petition is instituted or presented by a person or entity not described above and either: (I) results in a judgment of insolvency or bankruptcy or the entry of an order for relief or the making of an order for its winding-up or liquidation; or (II) is not dismissed, discharged, stayed or restrained, in each case within fifteen (15) days of the institution or presentation thereof;

(v) has a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger);

(vi) seeks or becomes subject to the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for it or for all or substantially all its assets;

(vii) has a secured party take possession of all or substantially all its assets or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all its assets and that secured party maintains possession, or that process is not withdrawn, dismissed, discharged, stayed or restrained, in each case within fifteen (15) days of that event;
(viii) causes or is subject to any event with respect to it that, under any Applicable Law, has an analogous effect to any of the events specified in sub-paragraphs (i) to (vii) (inclusive) of this paragraph (g) of Clause 7.1; or

(ix) takes any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts referred to in this paragraph (g) of Clause 7.1.

7.2 In the event of a default by the Receiving Party, the Transferring Party may terminate this Agreement upon giving not more than twenty (20) days' written notice to the Receiving Party, specifying the relevant Event of Default and designating a day not earlier than the day such notice is effective as the Event of Default Early Termination Date in respect of all outstanding Transfers. The Transferring Party shall calculate the Event of Default Loss and shall notify the Receiving Party of such amount, including detailed support for the calculation of such amount. If the amount of the Event of Default Loss is:

(a) a positive number, the Receiving Party shall pay this amount to the Transferring Party within three (3) Banking Days of invoice or notification of the amount of the Event of Default Loss, which amount shall bear interest from the Event of Default Early Termination Date to the day of pay-out at the Interest Rate; or

(b) a negative number, the Transferring Party shall pay an amount equal to the absolute value of the amount of the Event of Default Loss to the Receiving Party within thirty (30) Banking Days of the invoice or notification of the amount of the Event of Default Loss, which amount shall bear interest from the Event of Default Early Termination Date to the date of pay-out at the Interest Rate.

7.3 In the event of a default by the Transferring Party, the Receiving Party may terminate this Agreement upon giving not more than twenty (20) days' written notice to the Transferring Party specifying the relevant Event of Default and designating a day not earlier than the day such notice is effective as the Event of Default Early Termination Date in respect of all outstanding Transfers. The Receiving Party shall calculate the Event of Default Loss and shall notify the Transferring Party of such amount, including detailed support for the calculation of such amount. If the amount of the Event of Default Loss is:

(a) a positive number, the Transferring Party shall pay this amount to the Receiving Party within three (3) Banking Days of invoice or notification of the amount of the Event of Default Loss, which amount shall bear interest from the Event of Default Early Termination Date to the day of pay-out at the Interest Rate; or

(b) a negative number, the Receiving Party shall pay an amount equal to the absolute value of the amount of the Event of Default Loss to the Transferring Party within thirty (30) Banking Days of the invoice or notification of the amount of the Event of Default Loss, which amount shall bear interest from the Event of Default Early Termination Date to the date of pay-out at the Interest Rate.

The amounts set out in Clauses 7.2 and 7.3 are the Parties’ reasonable pre-estimate of the losses that would flow from the events of default contemplated by the Parties and each Party waives the right to contest those payments as an unreasonable penalty or otherwise. No other amounts (except for interest for late payment pursuant to Clause 10.12) shall be payable by either Party in respect of a default.
7.4 The Party not in default pursuant to the provisions of either Clause 7.2 or 7.3 (as the case may be) shall have the right to set-off any amounts owing pursuant to the provisions of either Clause 7.2 or 7.3 (as the case may be) against any Other Amounts Owing. This right of set-off shall be without prejudice to any other right of set-off, counterclaim, combination of accounts, lien, charge or other right to which any Party is at any time otherwise entitled (whether by operation of law, contract or otherwise). If an amount is unascertained, the relevant Party may reasonably estimate the amount to be set off and the Parties shall make any adjustment payment required within three (3) Banking Days of the amount becoming ascertained.

8 Limitation of Liability

8.1 This Agreement sets out the full extent of the Parties’ obligations and liabilities as between each other arising out of or in connection with this Agreement, and there are no conditions, warranties, representations or terms, express or implied, that are binding on the Parties except as specifically stated in this Agreement. Any condition, warranty, representation or other term, which might otherwise be implied into or incorporated in this Agreement, whether by statute, common law or otherwise, is hereby expressly excluded.

8.2 Save as expressly provided otherwise in this Agreement, and in particular in Clause 8.3, neither Party shall be liable under or in connection with this Agreement for any loss of income, loss of profits or loss of contracts, or for any indirect or consequential loss or damage of any kind, in each case howsoever arising and whether caused by tort (including negligence), breach of contract or otherwise.

1 [Drafting Note: Parties to consider adding the following bolt-on clause at the end of this arbitration clause to specifically provide for video or telephone conference hearings as the default option in circumstances where a public health emergency may otherwise interfere with the ability of the Parties to attend an in-person hearing. Whilst most arbitral tribunals will be able to direct this as part of their procedural discretion, the inclusion of this supplemental language will provide robust encouragement to the tribunal to take those steps, and minimise any ability of other parties to take awkward positions aimed at delaying matters.

"In the event of a declared public health emergency by either the World Health Organisation (the "WHO") or a national government, as a consequence of which it is inadvisable or prohibited for the Parties and/or their legal representatives to travel to, or attend any hearing ordered by the arbitrator, the following shall apply:

(i) any such hearing shall be held via video or telephone conference upon the order of the arbitrator;

(ii) the Parties agree that no objection shall be taken to the decision, order or award of the arbitrator following any such hearing on the basis that the hearing was held by video or telephone conference; and

(iii) in exceptional circumstances only the arbitrator shall have the discretion to order that a hearing shall be held in person, but only after full and thorough consideration of the prevailing guidance of the WHO and any relevant travel or social distancing restrictions or guidelines affecting the Parties and/or their legal representatives and the implementation of appropriate mitigation."]
