NORTH AMERICA'S LEADING EVENT ON CARBON MARKETS SCALING MARKET SOLUTIONS. POWERING PROGRESS & GROWTH

Introduction

[IETA's North America Climate Summit 2025](#) (NACS 2025) **#NACS2025** is the premier gathering of carbon market, energy, and climate finance practitioners across North America and beyond. Taking place 23-25 September 2025 at [Convene 360 Madison](#) in NYC, NACS is an official affiliated UNGA and NYC Climate Week event.

Attending NACS 2025 offer an unmatched space to discuss carbon pricing trends, deepen market expertise, and engage with policy makers and governments, business leaders and civil society, who are shaping today and tomorrow's carbon markets.

Organized by IETA, in collaboration with the International Carbon Action Partnership (ICAP), NACS 2025 is an in-person event featuring high-level plenaries, inspirational keynotes, topic deep-dives, cross-cutting breakouts, interactive side events, exclusive networking opportunities to foster meaningful connections.
