

PARTNER SPONSOR AGREEMENT

With Japan’s mandatory GX-ETS launching in April 2026, and international market linkages being advanced through the Joint Crediting Mechanism (JCM); IETA is looking to organize a one-day Tokyo Carbon Markets Dialogue on the 14 May 2026.

The day will include:

- A closed-door (by invitation) meeting around GX-ETS, JCM & J-credits
- An IETA-members Japan WG meeting with networking lunch
- A public-facing afternoon event with Launch of IETA’s Japan WG Report to invited media, government representatives and panel discussions
- An evening networking reception

The meetings before noon will take place at Sumitomo Corporation with capacity for around 35 participants. The public-facing sessions in the afternoon will take place at the Otemachi hall (Ōtemachi, 1 Chome–2–1 Otemachi One 3F) with capacity for around 100 participants. This will be followed by an evening networking reception at an adjacent location.

We are seeking for 3 individual sponsors to help cover costs related to the event, providing a number of branding and visibility opportunities in connection to the forum. Full packages are detailed below:
